

Smart Expense & Budget Tracker

UI Demo Screens – Step by Step

This document presents a complete demo flow of the user interface for the Smart Expense & Budget Tracker. Each screen represents one important step in the user journey, from onboarding to monthly expense analysis.

1. Welcome Screen

Introduces the app and its purpose.

2. Monthly Income Setup

The user enters their monthly income.

Set Monthly Income

Step 1

Monthly Income

Enter your income (e.g. \$500)

Save Income

Profile

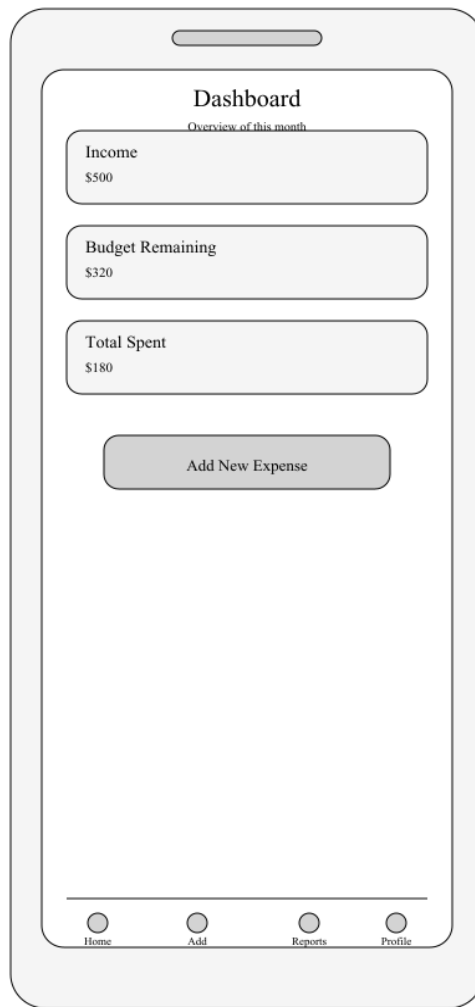

3. Budget Setup

The user defines a monthly spending limit and savings goal.

The image shows a mobile application interface for setting a monthly budget. The screen is titled "Set Monthly Budget" with a subtitle "Step 2". Below the title, there are two input fields: "Monthly Budget" with the placeholder text "Enter spending limit", and "Savings Goal" with the placeholder text "Enter savings target". A "Save Budget" button is located below these fields. At the bottom of the screen, there is a navigation bar with four icons labeled "Home", "Add", "Reports", and "Profile".

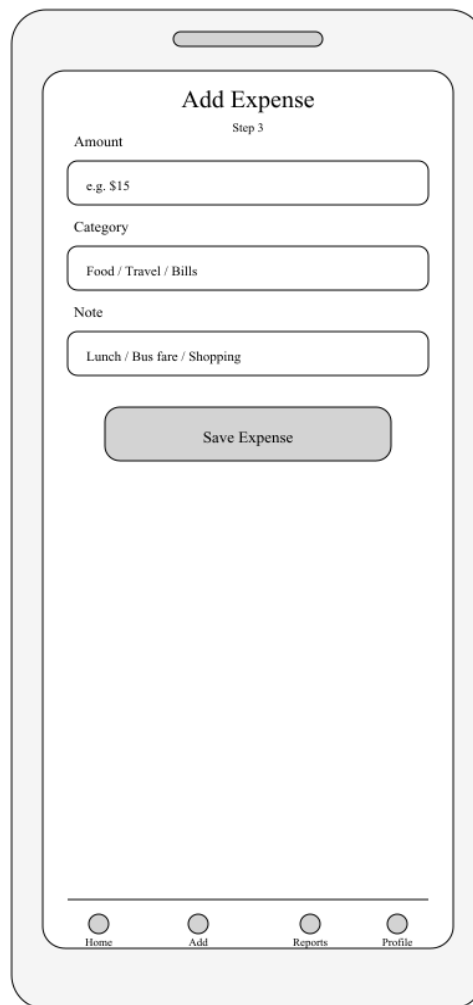

4. Dashboard

Shows a quick overview of income, spending, and remaining budget.

5. Add Expense Screen

Allows the user to quickly log a daily expense.

The image shows a mobile app screen titled "Add Expense" with the subtitle "Step 3". The screen contains three input fields: "Amount" with the placeholder text "e.g. \$15", "Category" with the placeholder text "Food / Travel / Bills", and "Note" with the placeholder text "Lunch / Bus fare / Shopping". Below these fields is a "Save Expense" button. At the bottom of the screen is a navigation bar with four icons labeled "Home", "Add", "Reports", and "Profile".

Save Expense

Home Add Reports Profile

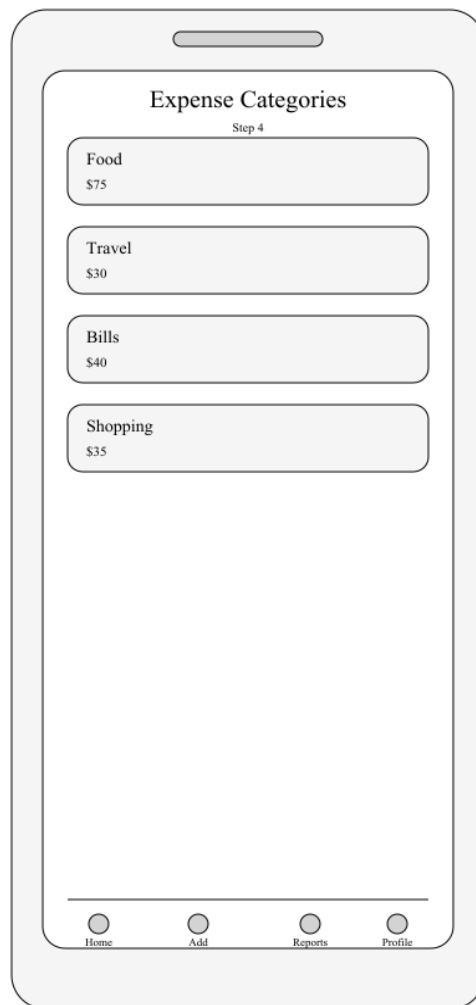

6. Expense List

Displays previously recorded daily expenses.

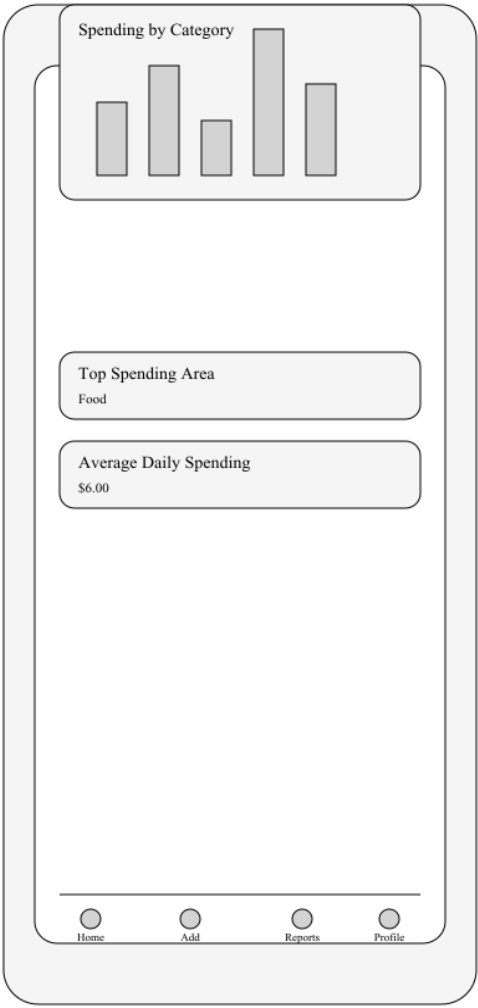

7. Category View

Groups expenses into categories such as Food, Travel, Bills, and Shopping.

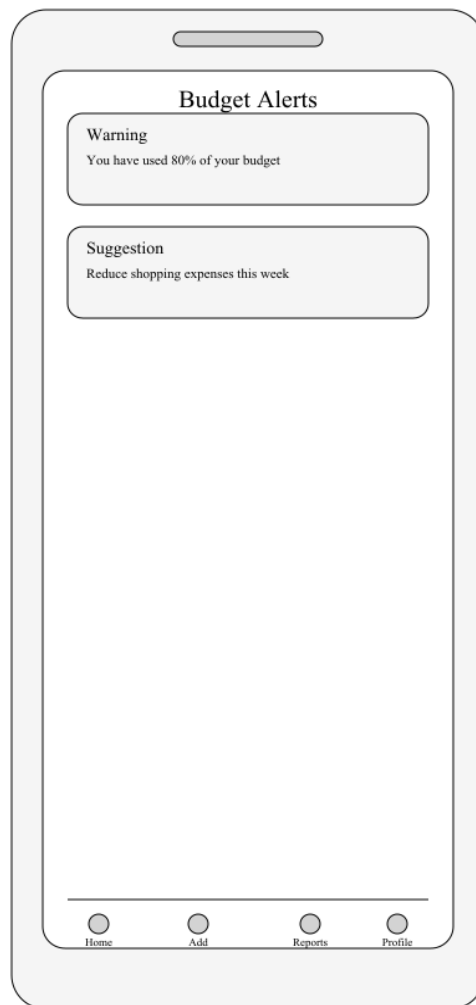

8. Monthly Analysis

Visualizes spending behavior and highlights key trends.

9. Budget Alerts

Warns the user when spending is getting too high.

10. Monthly Summary

Presents the final month-end financial summary.
